If chosen to be a member of the BAHS Robotics Team, my child may attend team meetings during the 2017-18 school year. Meetings will be held monthly during the fall and on Tues. & Thur. (2:30-4 pm) and Saturday 1-4pm during build season (7 weeks beginning in January).

Members must maintain satisfactory behavior and grade standards in order to be eligible to participate in the BAPS Robotics program. Parental participation in fundraising endeavors is very important for the success of the team. While fundraisers are available, it is important to know that travel costs will be a student/parent responsibility. At this time, the cost of the competitive trip is estimated to be \$200-250.
